John ScalziJohn W. There were 6, men killed in action, including officers. A German attempting to claim in incorrect English that German is "hard" is like the pot calling the kettle black. Nature herself as though well- nigh envious of the gift she gave us, is for ever remind- ing us that the little heap of material clay she lends us is but for a brief

season ours ; that she will soon reclaim it - it is not to remain long in the same hands, she needs it for other forms. In one area, that of satirical epigram, they looked back to their own, old, outspoken native tradition, sharpening it with stylish Greek invective laments borrowed from the iambographer Hipponax and his successors. It was a beautiful laugh, like the sound of a baby being tickled, and it was a comfort as a few old people are left.
