Tenrikyo followers think of their minds as things that are under their own control, but their bodies are not completely under their control. We may be in the minority, but the first chunk of issues where Swamp Thing takes on some pretty generic monsters seem like just a warm-up for further greatness.

During the performances the males would start off and the females would come later to close the show off. I just started using Tailwind and I love it so far. I just wish he was still here to talk to.
