The part where everything gets hot is mildly engaging but only lasts a few pages. Tony Hill, "resident psychologist" has his usual field day trying to determine who is the mastermind behind this devious plot while also helping Carol with the demons that have been plaguing her mental state. When von Stroheim caused more trouble with his next picture, The Merry Window Thalberg let him finish it and then fired .

I can only but hope that this novel could in some way, if even slightly, resemble
