## **The Huggabears: Welcome to the Bearwood Forest! Tale 1**

Psychology, Public Policy and Law2- A psychological theory of work adjustment. Pantheist philosophy reacts against those who wish to strengthen their unnatural and extravagant anxieties of transcendence, their denigrating and supernaturalist beliefs, by institutionalizing processes of persuasion using public channels of communication or authoritarian educational structures which lack dialogic debate, with the intention of converting those who do not naturally acknowledge the same metaphysical perspectives nor share the same worldview.
