Description: A short horror story about a man who is stuck between life and death. Stepanova, J. It gave me an eerie, surreal feeling to walk through the forest. For now, it is enough to notice that even on the fairly modest social and political conception that I am urging here - that a strong and healthy society is characterized by the pursuit of common interests within and across borders - one of the most important features of social life is communication, which returns us to the initial purpose of these remarks.
