VMware - A Guide for New Admins - Backup & Tools

So, it is about the way imagination works on memory, the way adul Peter Leroy looks back on his suburban, late s-era childhood with an odd, wonderfully readable and sort of endearingly dry, tongue-in-cheek sense of humor, knowing that he is using his memories of actual events as only the flimsiest of scaffolds on which to build his stories, filled out with plenty of sawdust, his term for the fabrications of imagination that give more meaning to his experiences than they perhaps actually .
